CLUB NOTES

Our **50/50 Bonanza** drawing is coming up next week. In case you were unsure of the Prize Package, it is 1st Prize of \$14,000, 2nd Prize of \$4,000, or 3rd Prize of \$2,000! The drawing is being held at our **Spring Fling** on March 29 at the Clarion. **REMEMBER** – all you have to do is ASK - ASK - ASK. They really sell themselves when you tell prospective buyers of the 3 significant prizes.

We asked last week that all unsold tickets be returned to Rich Yetman at last nights meeting, which we're sure every-one did, if they had any tickets to return ...

DO NOT BRING UNSOLD TICKETS TO THE SPRING FLING!

If you can't sell them, bring them back to Richard Yetman

NOW!!!

The Spring Fling
is fast approaching, only

1 week to go.

Chairman Tim reports that we have well over 95 gifts in hand and more are coming in! Were you able to procure a Gift Basket?

Ticket sales are brisk - we are expecting at least the same size crowd as last

CLUB NOTES

year. Marie and Pat have done a great job with our on-line presence. Facebook was just boosted, so we are expecting a few more phone calls. The Spring Fling has reached over 9,000 people, and over 600 have marked that they are either going or interested. We are limited to the number of people we can safely seat, so sell those tickets ahead of time!

Chris has made himself available to pick up any Gift Baskets or other prizes being donated to the Spring Fling. Just give him a call.

Pat demonstrated our new web-site last night with a slide presentation.. We are now on-line with *Club Runner*, a program that a great number of Rotary Clubs are using. There are so many applications we can use with Club Runner from reporting to District 7505 and Rotary International to connecting to Facebook and other Social Media to being able to get RIPPLES!

It might take a little while to start using all the different aspects of Club Runner, but we will all be working towards that end. I'm guessing RIPPLES will be interesting!

SAILFEST CHAIR Pat Wallace also

CLUB NOTES

spoke about Sailfest, Sept. 7, 2019. She has gotten commitments from several sponsors already and is waiting to hear back from 1 or 2 others! She also asked for a few volunteers to step forward to chair 2 area of Sailfest that will be needing some help - that would be the Facilities Chairperson, the part that Mike Beyers has been running for so long and the other area would be the Ad Journal Chairperson, which George and Chris have been co-chairing for so long also. Don't be bashful -

We will also be selecting a new artist for Sailfest on Sunday, April 7 at 1 PM at the Ocean County Artists' Guild like we did last year. Several of our club members will judge the artwork from the artists who have created a piece of art for us to use for Sailfest. There will probably be a few more artists this year than last year as the inclusion of the Artist Guild has been very well received by their members. We're looking for 5-7 judges and the judging should only take an hour or so, depending on the number of pieces we have to judge.

CLUB NOTES
